To the best of my knowledge, here is the only information that pertains to the Muckrock request on references to the Incarcerated Workers Organizing Committee.
I have found no other memos, reports, emails or documentation pertaining to this group.

Curt,

Thanks for this email.

I just confirmed the facts as I related to you earlier. Four only. They are eating, and have been since at least last Wednesday.

Hello,

I'm glad to hear that you're interested in reporting on the currently ongoing hunger strike at Scotland Correctional. My name is Lee Nguyen from Atlanta Iwoc and I'd be more than happy to answer any questions you might have. Currently, we have yet to receive any information on what's going on inside the prison walls. Administration has been negligent, straight up lying about the conditions the prisoners have been facing for quite some time, and have hung up on many concerned people calling in to get details on the conditions of the hunger strikers. The hunger strikers are from the solitary unit of the prison, making it difficult to correspond with those participating since they are not allowed to use the phones and neither do they have access to tablets that have Jpay for email correspondence. We just sit patiently awaiting updates from the participating hunger strikers by mail. Of course, we'd prefer that you get an interview directly with one or more of the hunger strikers but in the meantime perhaps I can assist in some general questions. I'll have time to review those questions after 8pm Eastern Time on 8/05/2019. Also I can immediately mail out the other questions you may have for the hunger strikers.

Round 2! for NC Hungerstrike at Scotland C.I. | Incarcerated Workers Organizing Committee

incarceratedworkers.org

Monday is Day 6 of the hungerstrike within the solitary unit at Scotland Correctional, North Carolina. They aren't quitting and neither are we until their demands are met. Make those phones ring all day! (Additional numbers and email addresses have been added below.)

Thanks again so much!

Lee
